Advance Pierre Foods, Inc. produces a complete line of fully cooked beef, chicken, turkey, pork, and veal, products, along with a full line of both parfried and fully cooked breaded proteins. The Company is a major foodservice provider, in addition to the retail, convenience store and vending markets. We are the leader in assembled sandwiches in the USA. The Company has 2 bakeries and 10 processing plants which are USDA inspected, and minimally SQF Level 2 or 3 certified.
