Applied Media Technologies Corporation (AMTC) is the largest and longest-standing partner of SIRIUSXM Satellite Radio for business subscriptions, having begun its relationship with Sirius in 2003 and servicing tens of thousands of accounts nationwide. For just \$29.95 per month, SIRIUS Music for Business delivers 71 channels of commercial-free music, with no term contract required. AMTC is proud to introduce Eos, the new dawn in business music from Eos Music Corporation. Featuring 65 channels of pure, uninterrupted business music, Eos has no commercials, DJ chatter or station IDs. Eos requires no term contract, includes all required music royalties and is just \$19.95 per month. You can add in-store overhead messaging and telephone on-hold messaging for just \$4.95 per month, with no additional hardware cost. AMTC also manufactures a full line of sound equipment, including amplifiers, speakers, microphones, and volume controls.
