Honkamp Krueger & Co. P.C. specializes in finding federal and state employment tax credits. We are honored to be recognized as a top 100 C.P.A. firm in the country, serving our clients in all 50 states for over 60 years including call center clients coast to coast. Our dedicated tax credit department, known for its exceptional customer service, will research, apply for and recoup those federal and state tax credits for your business. We will administer the tax credit program, process all the paperwork and handle any government issues so you can stay focused on running your business.
