Seating Concepts is your complete source for high performance dining room furniture. Our product lines satisfy the needs of almost any food service operator. We feature fiberglass, wood and laminate Booths that can be customized to fit any food service operation. Our broad selection of Chairs (metal and wood), Bar Stools, Cluster Seating, Table Tops, Bases and Outdoor Patio Furniture will help enhance your customers' dining satisfaction. Our Trash Receptacles, Divider Walls, Planters and other custom millwork items come with the same guarantee of excellent quality and craftsmanship.
