As a family run business since 1989, R.F. Technologies, Inc. has spent years repairing, producing and developing drive-thru products that meet the needs of the QSR industry. We listen to the voices of our customers, and deliver services and products, which are reliable and affordable to help you maintain movement within your store. Our same day repair, 24-7 customer service, and free technical support are extensions of our passion and dedication to be your one-stop shop for everything drive-thru. We are pleased to support you in providing continuous outstanding service to your customers. We've got you covered.

Direct Response Advertising
Register Tapes Unlimited™ - The leading program to place your ad literally in the hands of prospects 1-2 times every week! Combined with the benefits of Grocery Store targeting, RTUI is a proven technique for profitable advertising.

Restaurant Technologies makes commercial kitchens safer, smarter and more sustainable with its automated frying oil storage, handling, filtration monitoring and disposal management system - your employees never need to touch hot oil again. Our newest technology, AutoMist, mitigates the risk of catastrophic fire by automatically cleaning hoods, flues and fans daily through a spray mixture of detergent and water. AutoMist eliminates the hazardous buildup of grease in food service kitchens and keeps hoods, flues and fans clean at all times. We serve over 25,000 restaurants and kitchens across the country, from large chains like McDonald's to independent fine dining entrepreneurs.

Signature Financial offers financing for Remodels, Developing, Acquisitions, Lines of Credit, Refinances, Equipment and Real Estate with a quick approval and turnaround process.

SRS Real Estate Partners serves franchisees, franchisors, landlords, and restaurant developers. We work diligently to secure the best pricing for M&A clients and guide listings to a successful close from pre-market to close of escrow. Our team includes financing specialists and Section 1031 Exchange buy-side experts to ensure buyers are financed and sell-side clients are represented on any post-closing 1031 Exchange to minimize/defer tax liability. We also serve franchisees/franchisors looking to expand through new-store development, site selection, remodel financing, repositioning of vacant or pending-vacant assets, lease negotiations, expansion financing, and value modeling.

Ecolab/SSDC is the leader in packaged solutions for the QSR industry. Our Mission Star Bright Cleaning Program, that was instituted in 2004 for the Carl's Jr. system, has been validated by the overwhelmingly positive response by store Managers and their crew. Along with EcoSure and Pest Elimination, these three Ecolab companies pack a 1-2-3 punch and ensure each operator brand protection and superlative services. We appreciate our business and personal relationships at Carl's Jr. and the Star Franchise Association.
